Year 5

Autumn Term

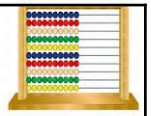

English

In English children will:
Explore different genres in Writing inspired by our class novel "The Night Bus Hero". These will include: diaries, poetry, reports, descriptions, posters and speeches.
• Focus on the use of clauses to create complex sentences, and higher-level punctuation such as parentheses.
In reading we will be focusing on fluency, inference and empathy skills.
• Continue to develop and learn spelling patterns and rules.

Maths

In Maths children will:

- Use the four operations to solve real-life problems, relating to money admeasures amongst others.
- Consolidate place value through partitioning numbers up to one millions
- Compare and order decimals and fractions
- Convert units of measure
- Interpret information from tables
- Recognise the properties of different shapes.

Science

Space : We will be looking at the planets and the solar system.

Forces
Children will learn about and investigate different forces, such as gravity, air and water resistance, friction and propulsion.

Art & Design

Artist: Van Gogh
In art we will explore the techniques Van Gogh used in his paintings. We will then explore his work in more detail and have a go at creating some art work of our own!
DT: We will be designing and creating stuffed Toys.

Computing

In computing we will be using Coding to control Micro bits and designing and programming a vehicle using Lego Prime.
We will also explore the importance of E Safety ,
Keeping safe online.

MFL

In French we will be learning how to tell the time and make comments about the weather, birthdays and the four seasons.

P.E.

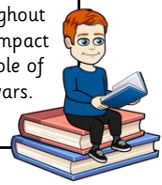

In PE we will be developing our confidence in dance and gymnastics exploring both movement and performance.

History

The Changing Role of women in History.
In topic we will be exploring how the role of women has changed throughout history. We will be exploring the impact of the Suffragettes and how the role of women changed throughout the wars.

PSHE
