Year 3

Summer Term

English

We will be studying a non fiction and fiction text linked to our Ancient Egypt topic:
"The Story of Tutankhamun" and "Marcy and the Riddle of the Sphinx".
We will apply our writing skills to a range of text types, focusing on grammatical skills such as apostrophes, speech marks and extending the range of sentences with more than one clause by using a wider range of conjunctions.

Maths

Children will investigate a range of topics including:

- Time
- Fractions
- Continuing KIRFs
- Recap key topics including number, place value and problem solving.

PSHE

We will be taking part in Kidsafe and Healthy Minds sessions to help us understand our emotions and keep ourselves safe.

Science

Plants
Explore the lifecycle and requirements of plants for life and growth.
Light
Exploring light and how shadows are formed.

MFL

Children will complete written and verbal activities to support their learning of: Numbers to 20, days of the week and adverbs of time and describing the weather.

Computing

- Sequence in Music.
- Events and Action

Art & Design

D&T Seasonal Eating – We will design and make a filo tart using seasonal vegetables.

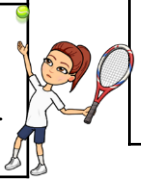

Art: We will develop our printing and sketching skills to create art work in the style of Richard Deurer

P.E.

We will be working with a Gymnastics coach to develop skills in movement. Swimming at Haven Point.

History & Geography

Egyptians
We will study Ancient Egypt to learn about civilisations, pharaohs, mummies, pyramids and hieroglyphics.

R.E.

We will be developing knowledge of Hinduism by exploring the following questions:
Would visiting the River Ganges feel special to a non-Hindu? How can Brahman be everywhere and in everything?

Music

We will learn the song "bringing us together" looking at the meaning of the lyrics, the genre and style, adding our own choreography and playing instruments alongside.
