Year 3

Spring Term

English

We will reading the legend of "Robin Hood" taking part in debates, writing our own Robin Hood adventure story and creating wanted posters.
Linked to our rainforest topic we will study the books "There's a rang-tan in my bedroom" and "The Great Kapok tree" writing persuasive letters and non-chronological reports.
We will be exposed to a wider range of vocabulary and text structures and learn how to structure our writing to use simple paragraphs.

Maths

Children will investigate a range of topics including:

- Comparing and ordering up to 1000.
- Addition and subtraction of 3 digit numbers.
- Multiplication and division facts for 3x, 4x and 9x tables.
- Measure, compare, add and subtract lengths, mass and capacity.
- Investigate 2d and 3d shapes including symmetry.

Science

Animals including Humans
Identify the food types and nutrition humans and animals need to stay healthy. Compare animal and human skeletons.

Forces and Magnets
Investigate how magnets attract or repel. Identify magnetic materials and find everyday uses for magnets.

Sea View Primary School

Art & Design

D&T Castles: We will design and make a 3D castle using a range of techniques and skills.
Art: We will develop our collage and painting skills to create art work in the style of Henri Rousseau

Computing

We will be learning how to use technology safely. We will use a range of programs to research and present information.

MFL

Children will complete written and verbal activities to support their learning of: names of classroom object and how to ask and respond to questions about age and where you live.

R.E.

We will be developing knowledge of Christianity by exploring the following questions: Could Jesus heal people? Were these miracles or is there some other explanation? What is 'good' about Good Friday?

Humanities

Rainforests
We will locate rainforests on maps and compare the physical geography with home and explore the eco system of the rainforests.

PSHE

The children will explore their feelings and issues that affect them.

P.E.

We will be working with a basketball coach and a cricket coach to develop our individual and team skills.

Music

We will learn the song "three little birds" looking at the meaning of the lyrics, the genre and style, adding our own choreography and playing instruments alongside.
